RE: Docket # 02-0507 – Resell Agreement - CTC-VS & EZ Phone

Dear David:

On March 19, Citizens Telecommunications Company of the Volunteer State and EZ Phone Inc. filed an Interconnection Agreement which was assigned the above referenced docket number. The purpose of this letter is to advise the TRA that the agreement filed was for the resell of services and not interconnection. Consequently, the term "resell" should be substituted for any reference to the term "interconnection" in the agreement. The agreement applies exclusively to the resell of services.

In addition, enclosed is an amendment to the agreement which makes reference to Frontier Communications of the Volunteer State, our new d/b/a in Tennessee. This addendum is being filed at the request of the TRA staff.

Please stamp as received the receipt copy and return it in the enclosed envelope.

If you have any questions please contact Jerry Bennett at the TRA or call me at 304.325.1216.

Sincerely,

J. Michael Swatts
State Government Affairs Director – South
